

## **Common Ground Expectations of Volunteers**

We ask all volunteers and community members who are working with Common Ground and living in our volunteer housing to abide by the following expectations

- 1) We are here to work (some say work our asses off).
- 2) Our spaces are drug, alcohol and weapon free.
- 3) Racist, sexist, homophobic (classiest, ageist, ableist etc.) remarks or actions are not welcome here
- 4) Dishonesty, stealing, scamming or messing with peoples stuff is not acceptable

If you cannot agree to these or if you violate them in any way that disrespect or harms anybody here or in the community as a whole you will be asked to leave.

Any allegations will be investigated fairly and a determination will be made by the Collective before any action is taken.
