**Amazing Grace**

"Amazing Grace, how sweet the sound,  
That saved a wretch like me....  
I once was lost but now am found,  
Was blind, but now, I see.

T'was Grace that taught...  
my heart to fear.  
And Grace, my fears relieved.  
How precious did that Grace appear...  
the hour I first believed.

Through many dangers, toils and snares...  
we have already come.  
T'was Grace that brought us safe thus far...  
and Grace will lead us home.

The Lord has promised good to me...  
His word my hope secures.  
He will my shield and portion be...  
as long as life endures.

When we've been here ten thousand years...  
bright shining as the sun.  
We've no less days to sing God's praise...  
then when we've first begun.

"Amazing Grace, how sweet the sound,  
That saved a wretch like me....  
I once was lost but now am found,  
Was blind, but now, I see. (end)

**Let There Be Peace On Earth**

Let there be peace on earth,  
and let it begin with me.  
Let there be peace on Earth,  
the peace that was meant to be.

With God as our Father,  
brothers all are we,  
Let me walk with my brother,  
in perfect harmony.

Let peace begin with me,  
let this be the moment now.  
With every step I take,  
let this be my solemn vow,

To take each moment and live each  
moment in peace, eternally.  
Let there be Peace on Earth,  
and let it begin with me

**God Bless America**

by Irving Berlin

God bless America,  
Land that I love,  
Stand beside her and guide her  
Thru the night with a light from above;

From the mountains, to the prairies,  
To the oceans white with foam,  
God bless America,  
My home, sweet home.  
God bless America,  
My home, sweet home.

## This Land Is Your Land

*words and music by Woody Guthrie*

Chorus:

This land is your land, this land is my land  
From California, to the New York Island  
From the redwood forest, to the gulf stream  
waters

This land was made for you and me

As I was walking a ribbon of highway  
I saw above me an endless skyway  
I saw below me a golden valley  
This land was made for you and me

Chorus

I've roamed and rambled and I've followed my  
footsteps  
To the sparkling sands of her diamond deserts  
And all around me a voice was sounding  
This land was made for you and me

Chorus

The sun comes shining as I was strolling  
The wheat fields waving and the dust clouds  
rolling  
The fog was lifting a voice come chanting  
This land was made for you and me

Chorus

As I was walkin' - I saw a sign there  
And that sign said - no tress passin'  
But on the other side .... it didn't say nothin!  
Now that side was made for you and me!

Chorus

In the squares of the city - In the shadow of the  
steeple  
Near the relief office - I see my people  
And some are grumblin' and some are wonderin'  
If this land's still made for you and me.

Chorus (2x)

## Where Have All The Flowers Gone

*words and music by Pete Seeger*

Where have all the flowers gone?

Long time passing

Where have all the flowers gone?

Long time ago

Where have all the flowers gone?

Girls have picked them every one

When will they ever learn?

When will they ever learn?

Where have all the young girls gone?

Long time passing

Where have all the young girls gone?

Long time ago

Where have all the young girls gone?

Taken husbands every one

When will they ever learn?

When will they ever learn?

Where have all the young men gone?

Long time passing

Where have all the young men gone?

Long time ago

Where have all the young men gone?

Gone for soldiers every one

When will they ever learn?

When will they ever learn?

Where have all the soldiers gone?

Long time passing

Where have all the soldiers gone?

Long time ago

Where have all the soldiers gone?

Gone to graveyards every one

When will they ever learn?

When will they ever learn?

Where have all the graveyards gone?

Long time passing

Where have all the graveyards gone?

Long time ago

Where have all the graveyards gone?

Covered with flowers every one

When will we ever learn?

When will we ever learn?

## Valley To Pray

I went down in the valley to pray  
Learnin' about the good old way  
And who would wear the starry crown  
Oh Lord, show me the way

Oh Brother, let's go down  
Come on down, don't you want to go down  
Oh Brother, lets go down  
Down in the valley to pray

As I went walkin in the valley to pray  
Learnin' about the good old way  
And who would wear the starry crown  
Oh Lord, show me the way

Oh Father, let's go down  
Come on down, don't you want to go down  
Oh Father, lets go down  
Down in the valley to pray

I went out walkin' on the mountain to pray  
Learnin' about the good old way  
I went up on the mountain and I just had to say  
Oh Lord, show me the way

Oh Sister, let's go down  
Come on down, don't you want to go down  
Oh Sister, lets go down  
Down in the valley to pray

As I went down in the valley to pray  
Studyin' about the good old way  
And who will wear the starry crown  
Oh Lord, show me the way

Oh, let's go down  
Come on down, don't you want to go down  
Oh, let's go down  
Down in the valley to pray

## This Little Light of Mine

This little light of mine  
I'm going to let it shine  
Oh, this little light of mine  
I'm going to let it shine  
Hallelujah  
This little light of mine  
I'm going to let it shine  
Let it shine, let it shine, let it shine

Ev'ry where I go  
I'm going to let it shine  
Oh, ev'ry where I go  
I'm going to let it shine  
Hallelujah  
Ev'ry where I go  
I'm going to let it shine  
Let it shine, let it shine, let it shine

All in my house  
I'm going to let it shine  
Oh, all in my house  
I'm going to let it shine  
Hallelujah  
All in my house  
I'm going to let it shine  
Let it shine, let it shine, let it shine

I'm not going to make it shine  
I'm just going to let it shine  
I'm not going to make it shine  
I'm just going to let it shine  
Hallelujah  
I'm not going to make it shine  
I'm just going to let it shine  
Let it shine, let it shine, let it shine

Out in the dark  
I'm going to let it shine  
Oh, out in the dark  
I'm going to let it shine  
Hallelujah  
Out in the dark  
I'm going to let it shine  
Let it shine, let it shine, let it shine

## We Shall Overcome

We shall overcome, we shall overcome  
We shall overcome, someday, someday  
Oh, deep in my heart, I do believe  
We shall overcome, someday  
We shall live in peace, we shall live in peace  
We shall live in peace, someday, someday  
We shall live in peace, we shall live in peace  
We shall overcome, someday

- 3) We'll walk hand in hand, someday.
- 4) The truth will make us free, someday.

## Taps

Day is gone, gone the sun, from the hills, from  
the lake, from the skies.  
All is well, safely rest, God is nigh.

Go to sleep, peaceful sleep. May the soldier or  
sailor, Spirit keep.  
On the land, or the deep, safe in sleep.

Love, good night. Must thou go when the day  
and the night need thee so?  
All is well. Speedeth all to their rest.

Fades the light, and afar goeth day and the stars,  
shineth bright.  
Fare thee well; Day has gone, night is on.

Thanks & praise, for our days, 'neath the sun,  
'neath the stars, 'neath the sky  
Fare thee well. Peace is near. God is nigh.

## Imagine

Imagine there's no heaven  
It's easy if you try  
No hell below us  
Above us only sky  
Imagine all the people  
Living for today

Imagine there's no countries  
It isn't hard to do  
Nothing to kill or die for  
And no religion, too  
Imagine all the people  
Living life in peace

You  
You may say I'm a dreamer  
But I'm not the only one  
I hope someday you'll join us  
And the world will be as one

Imagine no possessions  
I wonder if you can  
No need for greed or hunger  
A brotherhood of man  
Imagine all the people  
Sharing all the world

You  
You may say I'm a dreamer  
But I'm not the only one  
I hope someday you'll join us  
And the world will live as one
